The "Easy Tabs" program is for customers requiring quick turnaround of turnkey, short-run (Eligible Quantities up to 500 1/5th cut banks) custom index tabs produced with the most popular standard options. It is based on the use of 9"x11", 90# white index stock converted into 1/5th cut banks with 1/2" insets. * Your "Easy Tabs" project will be completed within 72 hours from the receipt of your approved proof or your next job is discounted 15%. This guarantee also applies to our 48-hour service at 1.5 times the above listed pricing and 24-hour service at 2.0 times the above listed pricing. You must mark your order "Easy Tabs" to receive the program guarantee and pricing. † Standard tab extension mylar and binding edge reinforcing is done in clear material. Colored tab extension mylars are also available, but they are exempt from this program. Visit www.flexfinishing.com/reference/tabguide2.pdf to view all colors available. ‡ Add-on services required for tab orders less than 1000 pieces will be charged at the 1000 piece minimum. For example, if you order 25 tab sets of one 1/5th bank that require binding edge reinforcing, the \$17.00 minimum charge applies to your order. Additionally, the minimum charge for prong fastener attaching is \$25.00. ** The minimum "Easy Tabs" order quantity is 50 sets. Published pricing is for a single 1/5th cut bank of 5 tabs. If your tab set contains eight (8) tabs, the per tab price will be used to determine your set price. For instance, an order of 250 "Premium" tab sets containing eight 1/5th cut tabs is priced at \$1.27 per set. For quantities greater than 2,500, call for pricing.
